

## Enchanted Kingdom

Everyone knows the story of Disney's Snow White, Cinderella and Sleeping Beauty however, Princess Amelia has a untold story that will have your little prince's and princess hanging on every word. Her story is about Jack her Dragon friend and a lonely unicorn loooking for a new home.

Princess Amelias party not only includes an interactive story with puppetry but also sees your little ones go to a magical ball and become royalty of course the birthday child will be crowned the Queen of the ball. All fun and games come with enchanted themed props and music.

A 2 hour Party Package faciliated by professional entertainers who do many parties every month. They deliver a program which is designed to suit most children and to be varied enough to keep the kids attention and interest for the party duration.
