Fizazzle's Wizards School Party is inspired by the popular books of Harry Potter. A 2 hour Party Package faciliated by professional entertainers who do many parties every month. They deliver a program which is designed to suit most children and to be varied enough to keep the kids attention and interest for the party duration. With potion makig, quidditch and even magic training this program has it all.

The Program host will come dressed in Hogwarts style costume to suit the theme. All Programs are inclusive of everything needed to make your party entertainment one to remember. Hogwarts props, musica and fully immersive party program with voldemort pinata finale
